However, formatting rules can vary widely between applications and fields of interest or study. The specific requirements or preferences of your reviewing publisher, classroom teacher, institution or organization should be applied. Philosophy of language - Wikipedia Philosophy of language explores the relationship between language and reality. In particular, philosophy of language studies issues that cannot be addressed by other fields, like linguistics, or psychology. Major topics in the philosophy of language include the nature of meaning, intentionality, reference, the constitution of sentences, concepts, learning, and thought.
